

OUR PHILOSOPHY

MISSION:

"To contribute to the health of people with natural products."

VISION:

"To be the leading regional supplier of natural products and healthy flavors for the world in a responsible manner."

VALUES :

- Commitment to health:
Our business means commitment to the health of people.
- Respect:
Our family, employees, customers, and suppliers are our most important assets.
- Continuous Improvement:
Quality, the environment, and health are our way into the future.
- Honesty:
Our reason for being is natural.
